Sub: Election for the Executive Board 2010 – 2012

Dear Members,

With reference to the circular letter dated 25th March 2010 regarding the subject mentioned above, I received two (2 nos.) valid nominations for the position of the Chairman and twenty (20 nos.) for the position of Executive members. However, subsequently one member for the position of Chairman and five members for the position of Executive Member of the Board have withdrawn their nomination for the election.

In view of the above, the election of the Executive Board becomes unanimous and I therefore, declare the following members at page - 2 as elected for the Executive Board (2010 - 2012).

Thanking you,

Yours faithfully,

(S. S. Biswas)
